

## Customized for You

The following information is needed to create the best possible sculpture for your environment.

- **Style:** Browse our web-site [custom art . styles](#) , [art in environments](#).
- **Color:** Samples of fabric, paint, rug, tiles or any other items that would be helpful.
- **Size:** Maximum of 4' x 8' per panel. Multiple panels create LARGE installations.
- **Presentation:** Curved, Flat or Framed

## How will it look in my location?

After we have received your 50% start deposit we can provide you with a digitally produced image of your environment with our art.

We will need the following additional information:

- **Cut paper to desired size and tape it to your wall.**
- **E-mail picture** of the wall with the cut paper
- and any other elements useful for communication to art@jpdesign.co

"Falling into Calm" 45" x 80"

## Retail PRICING GUIDELINE Flat \$200/square foot

Trade pricing available

Curved \$240/square foot

To determine square footage: 36" x 96" = 3456 ÷ 144 = 24 sq.ft. x \$200. = \$4,800 Retail
